# Characteristics of Effective Learning

# Creating and Thinking Critically Thinking

Having my own ideas

I am able to think of ideas.

I am able to find new ways to do things.

I can develop ideas of grouping, sequencing, cause and effect.

I can find ways to solve problems.

Making Links

I am able to test my ideas.

I am able to make predictions.

I make links and notice patterns in my experience.

I am able to review how well my approach worked.

I can change my approach or strategy when needed.

Choosing ways to do things

I am able to check how well an activity is going.

I can plan, choose how to approach a task, solve a problem and reach a goal.
